Health Screening Questionnaire – Support Services

Qscan Group is committed to protecting the health, safety and well-being of our staff members. To assist us in achieving this objective, we ask that you complete the following health screening questionnaire relating specifically to the position you have been offered.

What will Qscan Group do with this information?

Qscan Group will use the information you provide for the purpose of assessing your ability to safely perform your role. It may also provide guidance in relation to any reasonable services and/or facilities which may be needed to assist you in performing your duties.

It may be necessary for Qscan Group to seek further information from you or your treating doctor. We may also request that you attend an independent medical assessment so we can further determine your health and fitness capabilities for your role.

This document will be saved to your employee file. If for any reason you do not commence employment this document will be destroyed.
