

Qscan Group's Social Club

Qscan Group's social club is committed to building a fun and inclusive social culture across Australia.

With its roots in Queensland, we have expanded to include branches across the nation, with teams at various locations organising regular local events for their members.

At a national level, the social club will continue to celebrate members' birthdays and provide random giveaways. Every month, the social club will also conduct major raffles and donate to selected staff causes.

Cost: \$2.50 per week

As a show of commitment to building a strong social culture, Qscan Group will match all donations made by social club members.

I, _____
would like to join the Qscan Group's social club.

I agree to an automatic \$5 deduction from my fortnightly pay and acknowledge that this is non-refundable.
